

THE ALMAGUIN HIGHLANDS ARTS COUNCIL

.....We've Only Just Begun!

We want to build and sustain a community of artists recognized for excellence and innovation. Together we can provide support and leadership for all forms of the arts on behalf of the residents of the Almaguin Highlands.

The residents of all of our communities, along with local businesses, and arts council members can positively impact the economy and culture of the Almaguin Highlands by developing a strong working relationship.

As an artist, business, or community member, you can support our vibrant communities with your AHAC membership. Please visit our website at www.ahartscouncil.org
