At **MMCAP**, we offer **free** community access to computers and the Internet. Unbeatable! Stop by and check us out! Our four, high-speed computers are conveniently located inside the Township Office at 31 William Street, Sprucedale.

Open Tuesday: 1-7pm, Wed. - Fri: 1-8pm and Sat. 10am - 2pm

**What Does MMCAP Offer?**

Are you new to the world of computers and the Internet, hoping to find a comfortable, low-pressure environment to get your feet wet? Or is high-tech old-hat to you, and you're hoping to check your e-mail on your way through town? Either way, we're happy to help. Our computers are packed with up-to-date software sure to provide interesting learning for the new user and satisfy the needs of the seasoned pro. Our programs can enable you to do word-processing, spreadsheets, image-editing, website creation, desktop publishing and effectively research a variety of topics.

Our Site now has a wireless router to allow people with personal laptops to gain access to high-speed internet. Presently, we do not allow people inside the building, due to space constraints, however the signal does reach to the parking lot.
