

# Township of McMurrich/Monteith Survey Results

Responses from 148 surveys submitted, Deadline March 27, 2017

## COMMENTS SUGGESTION AND FEEDBACK

- Pleased with landfill; attendant does a good job; kept orderly; they are pleasant, helpful and informative; present system is working well. (28 responses)
- Garbage/Landfill should be included in already paid taxes. (31 responses)
- Cost per bag charges will result in tossing of garbage on back roads and create improper/unsafe back yard burning (24 responses)
- Lowering of taxes to accommodate cost per bag to dump (7 responses)
- Bag limits should be implemented incurring charge thereafter, create garbage pickup (15 responses)

### Suggestions for Landfill hours

- Hours of operation good at present (5 responses)
- More morning hours preferred (5 responses)
- More later hours would be preferred (2 responses)
- Shorter hours preferred (1 response)
- Longer hours preferred (6 responses)
- Less days but all day operation (7 responses)
- Landfill should be cleaner/more organized (2 responses)

### Specific Information Requested RE: Waste Diversion
