Rabies Clinics for Spring 2019

We will be running Rabies clinics again this year; however the setup will be a bit different from previous years. Instead of driving to several towns in the area, we will have a Rabies clinic at our hospital every first Wednesday of the next five months.

Wednesday April 3rd, May 1st, June 5th, July 3rd, and August 7th. from 6 till 7 at Verzijlenberg Veterinary Hospital in Sundridge.

The cost will be \$25.00 for both cats and dogs; sorry cash only.
